APPLICATION FOR NEW STANDARD LISTING ON WWW.OCEANOGRAPHY.CO.ZA

This application form is for businesses that wish to be listed in the Business Directory of the Oceanography SA Website (<http://www.oceanography.co.za>) as a Standard Listed Business.

RETURN OF APPLICATIONS:

Once completed, this application must be signed and returned to SeaScience, PO Box 98, Athlone, 7760 or faxed to 0880216965412 for the attention of the Oceanography SA Website Team.

THE OCEANOGRAPHY SA FOCUS REGION

The Oceanography SA website's focus region encompasses all marine related areas within South Africa.

REJECTION OF APPLICATIONS:

- The owners of the Oceanography SA Website reserve the right to reject any application.
- Only businesses that deal, in some way, with the ocean environment will be considered.
- All applications are subject to approval and the success of an application is not guaranteed under any circumstances.
- In the event of a rejection, the owners of the Oceanography SA Website will attempt to assist or advise the unsuccessful applicant as to what actions can be taken to make future attempts, but are not under any obligation to provide this service.
- Businesses not located in the Oceanography SA focus area as defined above must provide motivation in Section 4 as to why they should be included in the Oceanography SA Website Business Directory. An example motivation could be *"Business provides or has the potential to provide marine-related services to South African clients"*

RENEWAL OF APPLICATIONS:

To ensure that all information remains current, all successful applicants will be contacted on an annual basis to confirm that the details provided in the listing is still correct.

PAYMENT:

There is **No Charge** for a Standard Website Listing in the Oceanography SA Website Business Directory for businesses that are **located primarily or have a satellite office in the Focus Region mentioned above.**

There is a **R1200.00 per annum** charge for a Standard Website Listing for businesses who still wish to place an entry on the Oceanography SA website but are **not located in the focus region as defined above.**
